Subject: Accreditation status of program applied by Shroff S.R. Rotary Institute of Chemical Technology, Block No: 402, At & Po: Vataria, Ankleshwar- Valia Road, Ta: Valia, District: Bharuch- 393135, Gujarat.

Sir,

This has reference to your application I.D. No. 4399-05/12/2019 seeking accreditation by National Board of Accreditation to UG Environmental Science and Technology program (Tier II) offered by **Shroff S.R. Rotary Institute of Chemical Technology, Block No: 402, At & Po: Vataria, Ankleshwar- Valia Road, Ta: Valia, District: Bharuch- 393135, Gujarat**

2. An Expert Team conducted on-site evaluation of the program from **13th to 14th March, 2021**. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the program as given in the table below:

Sl. No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(4)	(5)	(6)	(7)
1.	Environmental Science and Technology	Tier II Document	Accredited (753 marks awarded by the Visiting Team reduced to 748 as per the observations made and indicated in the Annexure to this letter)	Academic Years 2021-2022 to 2023-2024 i.e. upto 30-06-2024	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

Rotary Institute of Chemical Technology, Block No: 402, At & Po: Vataria, Ankleshwar- Valia Road, Ta: Valia, District: Bharuch- 393135, Gujarat** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to **Shroff S.R. Rotary Institute of Chemical Technology, Block No: 402, At & Po: Vataria, Ankleshwar- Valia Road, Ta: Valia, District: Bharuch- 393135, Gujarat** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Contd./.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the program as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Report in respect of the above program is enclosed.
