## Strict news

### Self-defense training for Girls

Sanskrutik Seva Samaj Samiti and Shroff Rotary Institute of Chemical Technology SRICT conducted Women's Self-defense training on 10th October 2018 for girl students of 3<sup>rd</sup>, 5<sup>th</sup> and 7<sup>th</sup> semester of SRICT. It was organized to raise awareness and provide appropriate self-defense training which would enable girls to secure themselves in each and every situation of life. The trainers demonstrated different techniques which would be beneficial for girls. The program was organized by Department of Environmental Science and Technology. Principal SRICT, Dr. Snehal Lokhandwala felicitated the trainers.

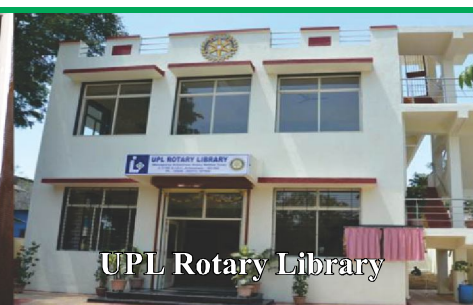

## Expert Lecture

An expert lecture was organized for Sem1 students of CE, CT, EST, EE&ME . Mr.Nikhil Kulkarni, Director Analpa Industries, Ankleshwar delivered a lecture on “Machines in Industry: An Introduction” on 11<sup>th</sup> October, 2018. The lecture was co-ordinated by Mathematics, Science and Humanities Department.

## Industrial Visits

Students of 1<sup>st</sup> Sem CT, EST, visited Enviro Technology Ltd on 2/11/2018. ETL is operating a Common Effluent Treatment Plant (CETP) on BOO basis since 1997 and is very successfully treating effluent of more than 225 small & medium scale dyes, intermediate, pigments, chemicals, textile, pharmaceuticals industries of the Ankleshwar industrial estate. R&D team at ETL works out the continuous development to work out the options to minimize the operating cost of the effluent to meet the disposal norms set out the by statutory authorities. Ms Mital Patel & Ms Dipika Vasava accompanied the students during their visit.

Students of Sem1 CE visited Gharda Chemicals, Panoli on 30/10/2018. Gharda Chemicals aims to serve the needs of the society through the development of suitable processes and production of quality products like pigments and polymers. Mrs. Akashlina Bhattacharya and Mr. Piyush Mistry accompanied the students during their visit.

## VISION STATEMENT

“ We Rotarians  
unitedly and proactively commit  
to undertake  
need based challenging projects  
as social responsibility,  
using innovative ideas  
to make eco-friendly Ankleshwar  
with sustainable growth in  
Health, Literacy and Women empowerment.”
