ECO-FRIENDLY GANESHA COMPETITION

Ganesh Chaturthi is all around the corner and the institute has organized an eco-friendly Ganesha Idol making competition for Students of Shroff SR Rotary Institute of Chemical Technology, Ankleshwar.

 UPL UNIVERSITY
OF
SUSTAINABLE TECHNOLOGY

 IICChE
INSTITUTE OF CHEMICAL ENGINEERS
ESTD. 1947

Department of Chemical
Engineering
in collaboration with IICChE
student chapter of SRICT, RAC
and IQAC
organizes

***Eco friendly ganesha
making competition***
On
11 September

Rules

1. Maximum 2 students in 1 group.
2. Necessary items need to bring by students
3. Prize will be distributed among the TOP 3 positions and certificate for all participants

CO-ORDINATORS
Dhruv kamdar
Prashant jaishwal

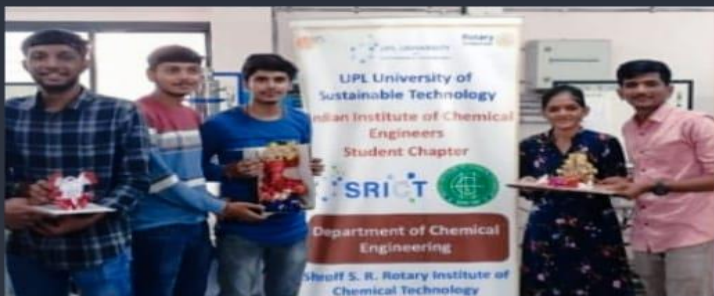

Various surveys indicate that there is a significant increase in water, air and noise pollutions during and just after the festivals. But any celebrations should not harm or hurt anyone right from aged to children or disturb our precious ecosystem . It is our responsibility to celebrate festivals in an eco-friendly manner so that there will be a pollution free atmosphere everywhere and we can celebrate it without any harm to our environment.

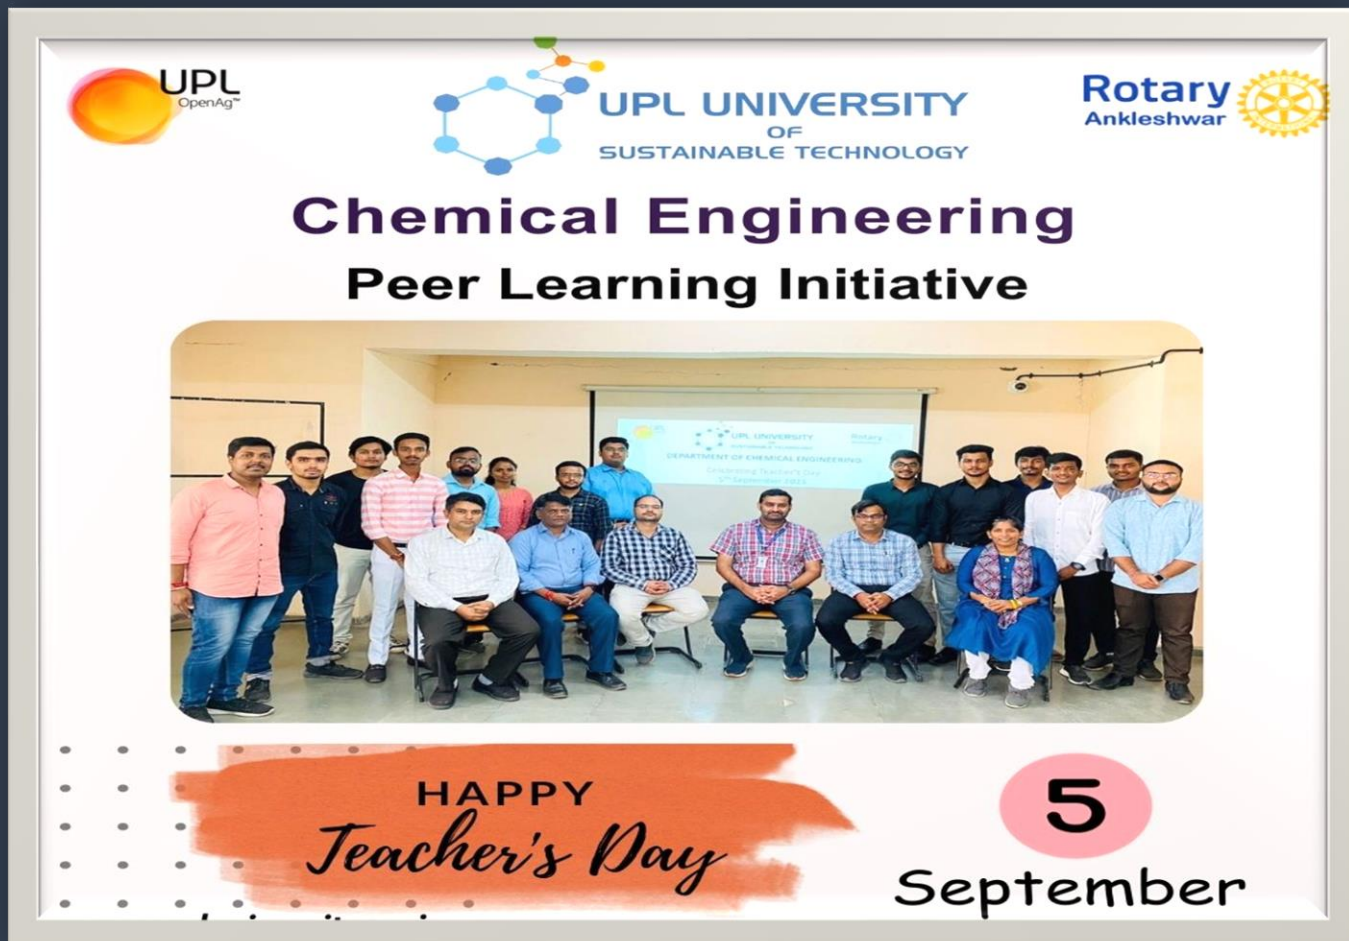

It was the time for students to put their artistic skills to promote sustainability and to save our environment.

Our students made eco- friendly Ganesh Idols with “Mud/Clay” or “Turmeric” or “Flour”. Be The Change ...Go For Green (Clay) Ganesh” Be Eco-Friendly...Use Eco-Friendly...

GLIMPSES....

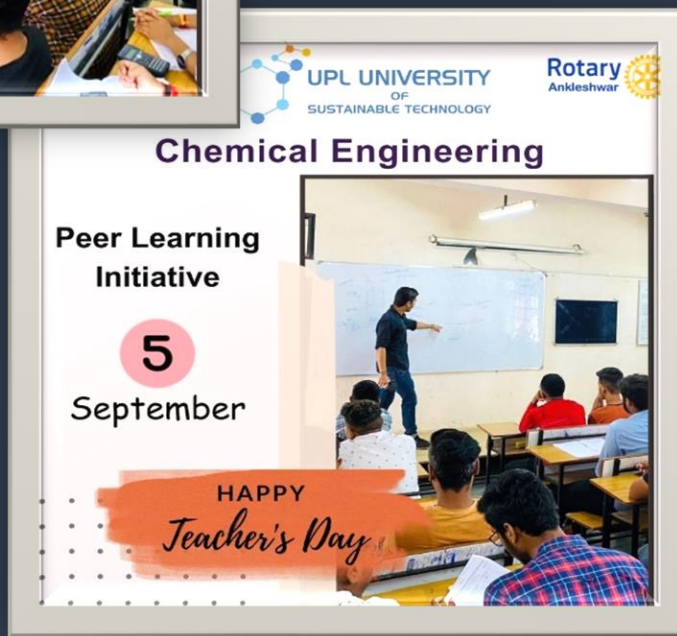

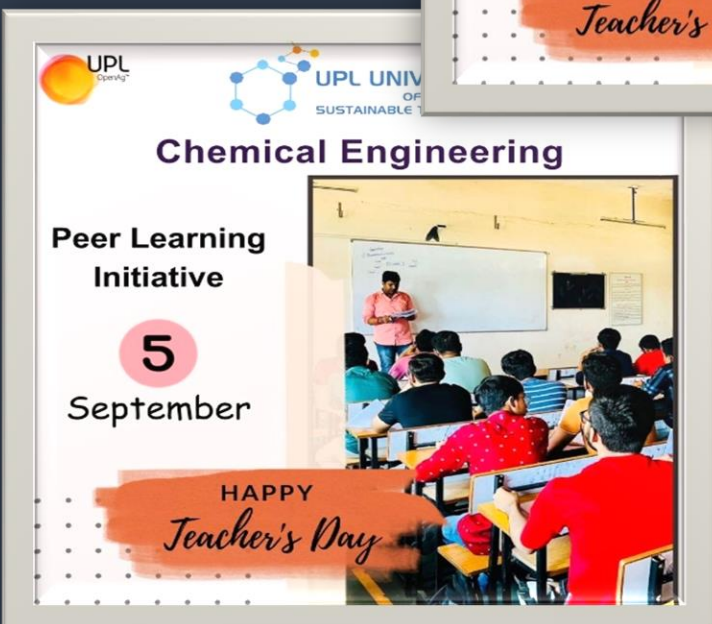

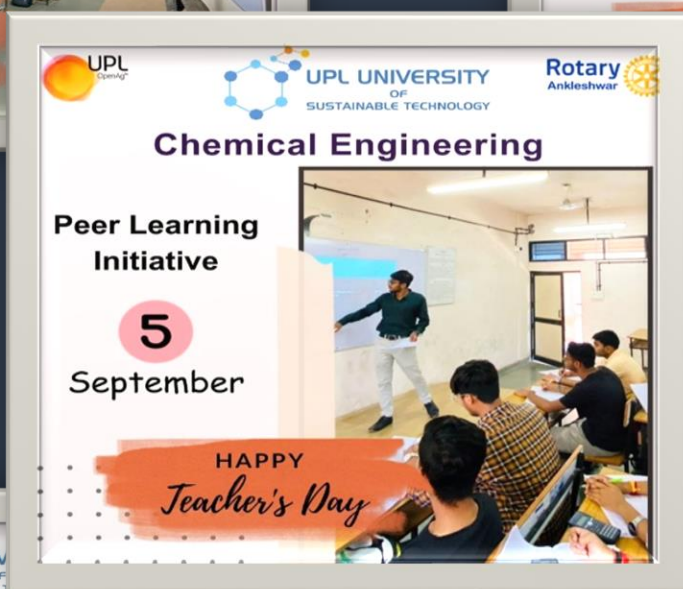

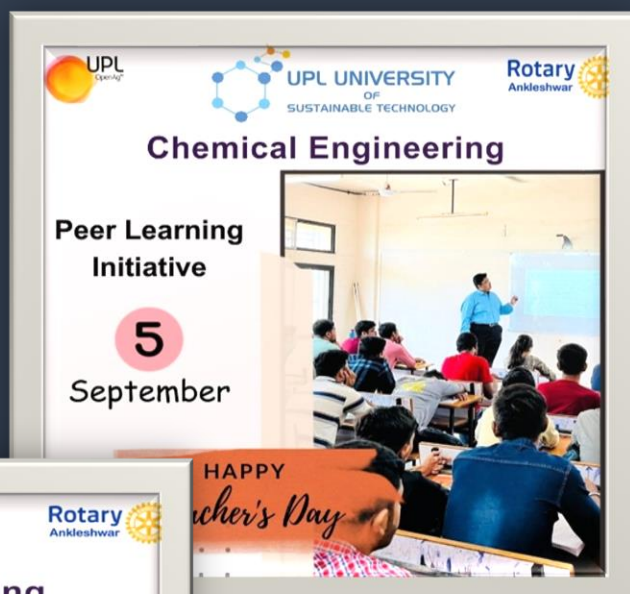

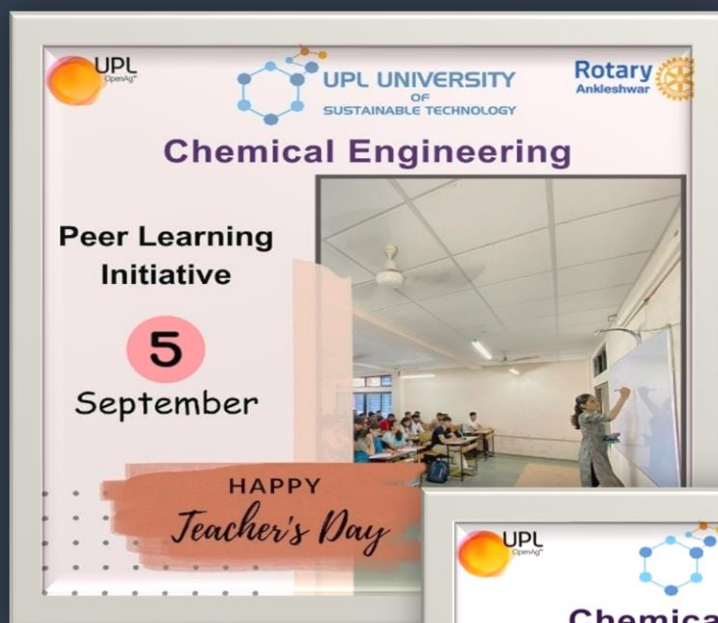

TEACHERS' DAY

- Department of Chemical Engineering, UPL University of Sustainable Technology celebrated “Teachers’ Day” by organizing Peer Learning Initiative (PLI) session on 05th September 2023.
- PLI activity not only helps students to foster teaching and presentation skills but also helps students improve their own understanding of the subject matter and create a supportive learning system which turns out productive for learning.

- 14 students from higher semesters participated and delivered nice presentations on curriculum-related topics. Celebrating “Teacher's Day” by promoting peer learning and teaching abilities is a commendable way to salute educators and their important role in shaping the future

GLIMPSES....

“Garba & Aarti: Exhilarating Navratri’s Spiritual Vibes.”

UPL University of Sustainable Technology hosted an exciting event “Adishakti 2023” co-ordinated by Department of Computer Engineering & Chemical Technology on 20th October, 2023 to celebrate Navaratri. The Aarti was done at the worthy hands of Provost, Dr. Shrikant Wagh and other dignitaries including the Registrar, Deans, HoDs, faculty members, staff members and students.

All members of UPL family came together to celebrate Navratri. The colourful and rhythmic event showcased our rich

culture. Everyone wore traditional clothes and had a great time of Garba.

Adding to the excitement, and prizes were awarded to the best performers. A panel of judges evaluated the performances and three winning students were announced. The winners were given prizes as a token of acknowledgement of their dedication.

It was a day of cultural celebration and talent recognition, bringing our university community closer through the Joy of Garba.

Glimpses...

AN AWARENESS SESSION ON “SUSTAINABILITY”

A Sustainability awareness session was organised by department of Environment Science & Technology for science and commerce students of Government Science and Commerce College, Dahej on 4th October 2023.

Students were made aware of various sustainability concepts including Circular Economy, Responsible Consumption, Sustainable Energy, Sustainable Agriculture, Sustainable Transportation, Green Buildings, “4R” Principle of Waste Management etc. students were also explained about “MISSION *LiFE* (Lifestyle for Environment)” A global mass movement led by India. Students and institute management highly appreciated this sustainability drive initiated by UPL University of Sustainable Technology.

MOU

1. SBD HEALTHCARE :

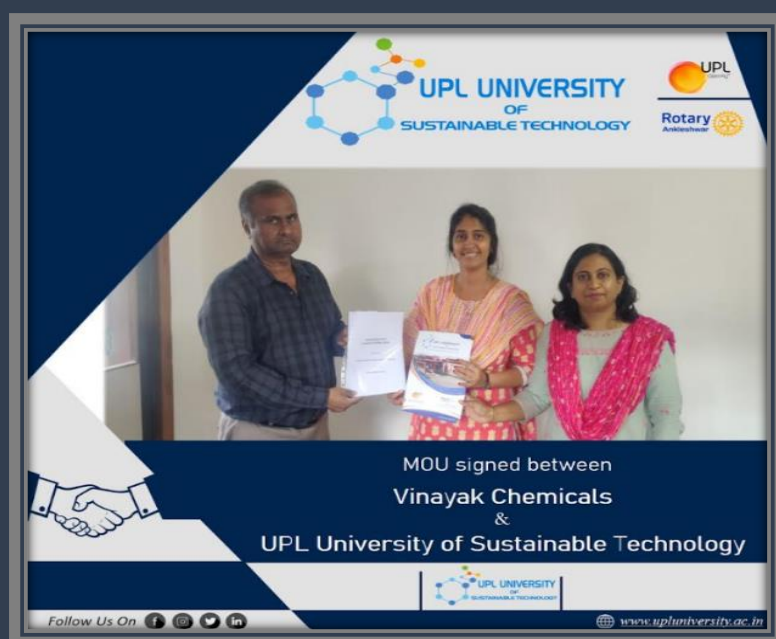

An MoU was signed between SBD Healthcare Pvt. Ltd., Panoli, Ankleshwar and UPL University of Sustainable Technology on 6th September 2023. MoU was exchanged by Dr. Shrikant J Wagh and Mr. Sanjay Patel, CMD, SBD Healthcare Pvt. Ltd in presence of Dr. Jigisha Modi, Head, MSH department and Dr. Vinitha

Vakkayil, Assistant Professor, MSH department. The MoU is going to open multiple scope and opportunities in terms of exposure related to expert talks, Industry Visits, Placement, Internship, consultancy services, etc.

2. VINAYAK CHEMICALS :

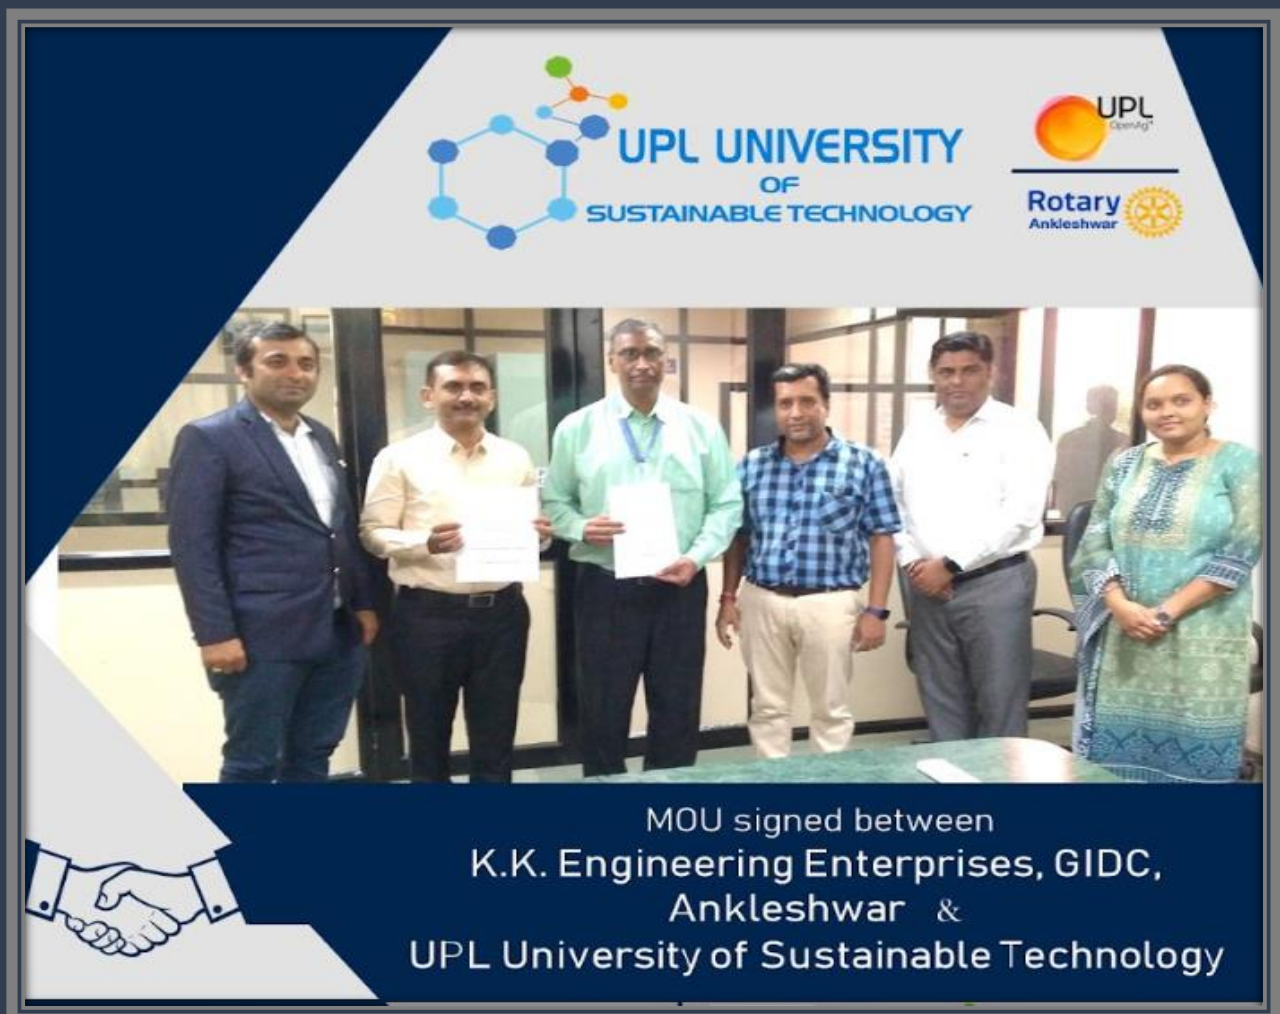

An MOU was signed between Vinayak Chemicals, Panoli, Ankleshwar, and UPL University of Sustainable Technology on 6th September 2023. MOU was exchanged by Dr. Shrikant J Wagh and Mr. Atul Bavaria, Owner in presence of Dr. Jigisha Modi, Head, MSH Department. The MOU is

going to open multiple scope and opportunities in terms of exposure related to Expert Talks, Industrial Visits, Placement, Internship, Consultancy Services, etc.

3. K.K. ENTERPRISE :

A memorandum of understanding (MoU) between K.K. Engineering Enterprises , GIDC, Ankleshwar, and UPL University of Sustainable Technology. The Memorandum of understanding will broaden the scope and opportunity for exposure to professional discussions, industrial visits, placement and internship opportunities, consultation services in the field of refrigeration ,air cooling, chillers, etc.

STUDENTS' CORNER.....

एक अधूरी कहानी

एक लड़का जो मैं था, एक लड़की जो वो थी,
मैं फर्श पर बिखरा था, या अर्श पर वो थी
मेरा एक छोटा सा घर था, महेलो मैं रहती वो थी,
मेरा बस नाम राजा, असल रानी तो वो थी
मैं फिर भी खुश था जब दूर से वो दिखती थी,
फाशले काफ़ी थे पर खयालों मे वो रहती थी,
बस इन्ही खयालों में था जहान मेरा, मेरी जिंदगी आशिया मेरा
कैसे कहता उसे के मुझे वो हूर सी लगती थी
आफरीन भी कम पड़े क्या खूब वो दिखती थी
तारीफ़ कैसे कर सकता, मेरी इतनी भी कहा हैसियत थी,
एक बार भी बात कर सकू, इतनी अच्छी कहा किस्मत थी,
पर एक दिन की बात है, शाम का वक्त है और हल्की सी बरसात है
कॉलेज के गेट के पास में अकेला बैठा था,
वो पल भी ऐसा था जब कोई साथ ना रहता था,
अपनी ही दुनिया में खोया मे बैठा था उसकी याद लिए,
उसके खयालों में डूबा मैं, बैठा था अपना प्यार लिए,
अचानक से सामने वो आई, मेरे बाजू में बैठी और हल्की सी मुस्कुराई

मुझे लगा कि जैसे ये भी एक सपना है
फिर सोचा जूठ ही होगा ऐसा कैसे ही होना है
ऐसा सोच के में फिर खयालों में खो गया
उसने चिमटी काटी और बोली "जागा भी है या सो गया"
जब छुआ उसने तब लगा जैसे मेरी दुनिया ही रूक गए
सारे खयाल गायब दिमाग से, और पलके मेरी झुक गय
कुछ देर तक पूछने बाद भी जब जवब उसको ना मिला
वो उठी और चल दी सोचा वो पागल ही था जो आज मिला
अब में भी पगला सा हाई तक बोल नही पाया
बरसो से जिसका इंतेजार किया वो पल को भी ना जी पाया
गलती मेरी ही है जो आज भी ये कहानी अधूरी है
एक पल कहानी ही सही मेरे लिए बहुत जरूरी है.....
