Dear Neel Narottambhai,

ID: 000815935

Congratulations! You have been confirmed into the **Welding Engineering Technology** program. This program is a Designated Learning Program (DLI number O18761749692) which is eligible to receive foreign nationals on a study permit.

You can proceed to apply for a study permit from Immigration, Refugees and Citizenship Canada using the information on page two of this letter. Refer to the IRCC website at www.cic.gc.ca/english/study/study.asp for further information.

Confirmation Information:

Level of study: **Diploma**
First day of classes: **Jan 6, 2020** Last day of classes: **Aug 20, 2021**
Estimated yearly tuition and fees: **\$18602.00 CAD**
Estimated yearly mandatory fees: **\$1000.00 CAD. Does NOT include housing, books or supplies.**
Note: Tuition and mandatory fees are subject to change.

Your next step is to get your financing in place and pay your tuition fee by the applicable deadline. Refer to www.sait.ca/paymentoptions for details. **If your tuition fee payment is not received by the deadline, your offer of admission will be cancelled.**

A copy of your study permit must be emailed to the Office of the Registrar at inquiry@sait.ca at least two weeks prior to your first day of classes.

Continue to check www.mysait.ca for further information regarding student orientation, fees, and campus events.

There are two mandatory orientation sessions for international students. The International Centre hosts a session providing information on academic regulations, immigration issues, health care, Canadian culture, and transportation in Calgary. The second orientation is program specific.

If you are looking for a great place to live while attending SAIT, visit www.sait.ca/residence for information about our student residences.

If you have any questions regarding our registration process or any other issues please email us at inquiry@sait.ca or call us at **403.284.7248** (toll free in North America at **1.877.284.7248**). You can also visit www.sait.ca for answers or other important information.

When you arrive in Calgary, visit the International Centre located in room AA206 in the Heritage Hall building. We look forward to welcoming you to SAIT!

Sincerely,

Neera Arora

OFFICIAL ADMISSION APPROVAL

Dear Siddharthkumar Patel,

Congratulations! It is my great pleasure to offer you admission into graduate studies at the University of Alberta. You are joining about 7,500 other graduate students at one of the best universities in Canada, and are beginning an exciting new journey.

You are being admitted into the Master of Engineering (Crse) in Mechanical Engineering - Full Time program for the Fall Term 2019. Please consult with Mechanical Engineering mecegrad@ualberta.ca for the registration and start dates for your program.

This offer is based on you fulfilling the conditions within the deadlines noted on the following page(s) of this letter. Please read these details and other remarks carefully.

This offer is valid until the 'Expiry Date' indicated on the GSMS portal. **To accept this offer, return to the [GSMS Portal](#) and indicate your response. If you are unable to respond prior to this date you may notify the department.** The University of Alberta considers acceptance of this offer as also your agreement to meet all conditions by the stated deadlines. Please contact your Department should you be unable to fulfill these requirements.

As Dean of the Faculty of Graduate Studies and Research, I join the faculty members in Mechanical Engineering in welcoming you to the University of Alberta. The University is located near the beautiful river valley in Edmonton, a city that embraces new people and new ideas, and invites everyone to build something extraordinary here. By joining this University, you will become part of an institution focused on academic excellence and that provides an enriching student experience.

We look forward to seeing you here at the University of Alberta, and I wish you much success in your future graduate studies. Again, congratulations on your acceptance.

Dear Mohmedhusein Irfan,

Congratulations! On behalf of the admissions committee, I am pleased to extend you an offer of admission to New York Institute of Technology. You have been admitted as a graduate degree candidate in the Energy Management program at our Vancouver, Canada campus beginning in the Spring 2019 semester. I am pleased to congratulate you on this fine achievement!

Mohmedhusein Irfan, you should be quite proud of your accomplishments so far. As this offer of admission is contingent upon successful completion of academic work now in progress, you do need to keep up the good work. When you join us at NYIT, you will find a challenging curriculum that will encourage you to develop critical thinking skills through hands-on experiences, both in and out of the classroom.

Important Note for Students Studying at NYIT Vancouver:

This program is offered under the written consent of the Minister of Advanced Education, effective March 16, 2016, having undergone a quality assessment process and been found to meet the criteria established by the minister. Nevertheless, prospective students are responsible for satisfying themselves that the program and the degree will be appropriate to their needs (for example, acceptable to potential employers, professional licensing bodies, or other educational institutions).

Please review the enclosed documents and be sure to sign and return the Terms of Your Graduate Admission form. Please feel free to call us at 604.639.0942 or email us at vancouverinfo@nyit.edu with questions about your admission or any other issues that will help you to select NYIT as your new academic home.

Congratulations again, Mohmedhusein Irfan! We look forward to seeing you here on campus this Spring 2019 semester.

Sincerely,

Karen Vahey

Dear Ms. Chovatia:

Subject to the terms set out in the University Calendar, we are very pleased to inform you that you have been accepted into the Master of Applied Science (Env. Systems Engin. & Mgmt) program in the School of Graduate Studies to commence at the beginning of 2019-2020 Fall semester. A copy of the form outlining your program of study is enclosed for your information. The normal duration for our master's programs is one to two years, and four years for our doctoral programs. For information on graduate program fees, please refer to the School of Graduate Studies Minimum Expense form which is available on our website at www.mun.ca/sgs/newstudents.

Classes begin the week of September 1, 2019. If you are unable to commence your program at the indicated time, you may wish to contact the Head of your academic unit to request a deferral. If you are coming to Newfoundland and Labrador for the first time, we strongly encourage you to arrive before the start of the semester. The last date to register for each semester is two (2) weeks after the start of classes.

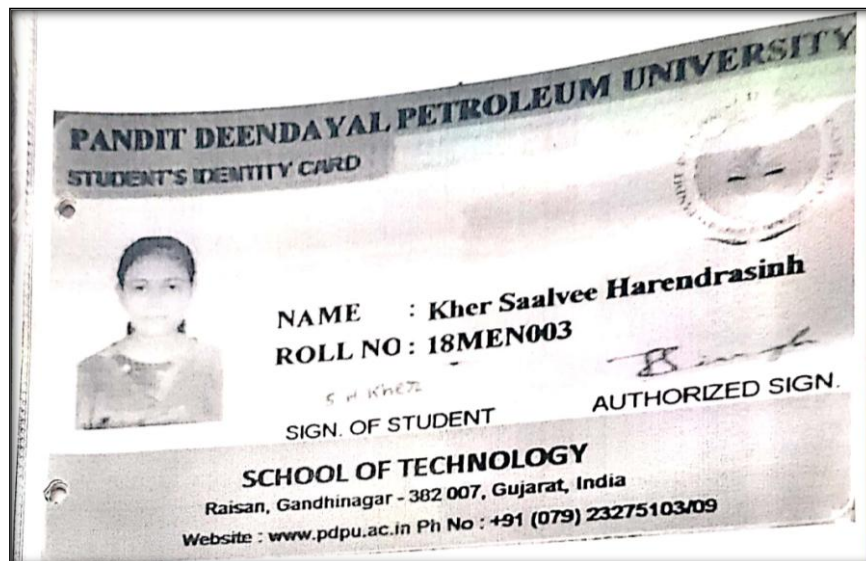

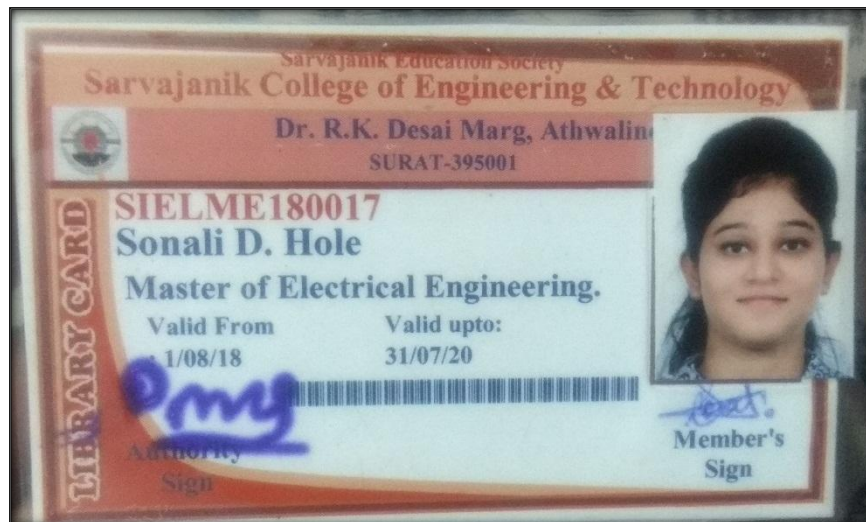

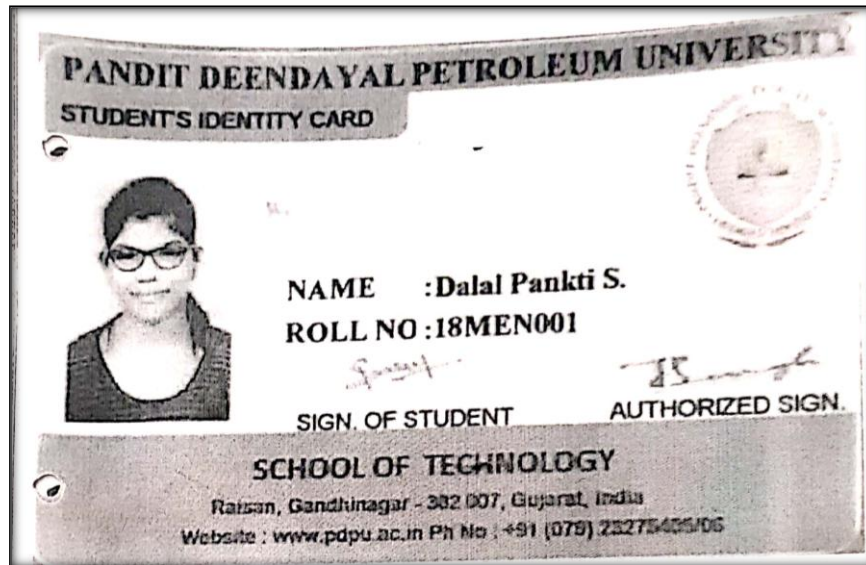

Please complete and return the ACCEPT/DECLINE form available from our website (www.mun.ca/sgs/newstudents) as soon as possible to hold your place in the graduate program. On that same website, you will also find information on how and when to register. You will need to set up and monitor your @mun.ca account through my.mun.ca. We also strongly encourage you to update your personal information (e.g., mailing address) through Memorial Self-Service.

We invite you to visit our website for new graduate students at www.mun.ca/sgs/newstudents and encourage you to follow the instructions online to commence your graduate program. If you have any questions, please do not hesitate to contact either a member of our staff at the School of Graduate Studies, your supervisor/advisor, or the Head of your academic unit.

We would like to take this opportunity to wish you much success in your program of study at Memorial University.

Sincerely,

Andrew Kim
