SEMINAR ON DECISION MAKING

A Seminar on Decision Making – A Key for Successful Life and Happiness was organized on 21st May 2023 at Pramukh Swami Hall, Rajkot. The program was organized in collaboration with Kutch Saurashtra HR Professional, Kutch Saurashtra Productivity Council and Bhartiya Mazdoor Sangh.

The welcome address was delivered by Shri Dharmesh Patel, Registrar of our university.

The keynote address was delivered by a learned saint of BAPS, Shri Apporva Mooni on the topic 'Decision making towards development of a nation'.

SEMINAR ON DECISION MAKING

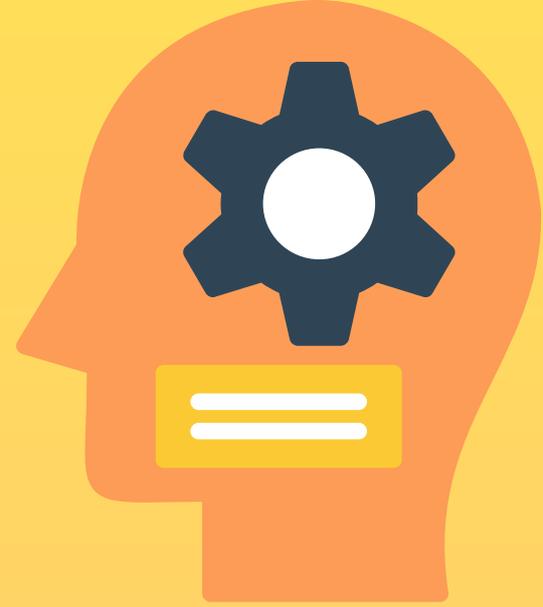

Shri Pravindan Gadhvi, Unit Head, UPL Ltd. Unit-5, Jhagadia highlighted the key role for a successful career and Happiness.

Dr. Snehal Lokhandwala, Dean, of Science and Sustainability briefed the audience regarding our university. The program was attended by over 300 participants.

SKILL DEVELOPMENT

UPL UNIVERSITY OF SUSTAINABLE TECHNOLOGY has signed MoU with Aspire Disruptive Skills (ADS) Foundation which is one of the leading vocational, training and placement-oriented organizations. Under the MoU, the first batch of vocational skill development for tribal and unemployed youth belonging to the nearby area (Jhagadia, Valia, Netrag, Dediapada) commenced in June. At present a batch of 30 students are attending the course.

MORNING PRAYER

The program is designed in a way to ensure that the students are transformed into “ Job Ready Professionals.” The students are staying at the UPL hostel. The objective of the course is to empower unemployed and underprivileged youth with right skills for employability and entrepreneurship.

THEORY CLASS

NSS EVENTS

EVENT I

NSS, UPL University of Sustainable Technology conducted an event on 20/05/2023, entitled “Quiz Competition on Environment:

The purpose of this event was to raise awareness of the environmental Aspect among the students. Environmental awareness is very important because it can help to minimize pollution and global warming.

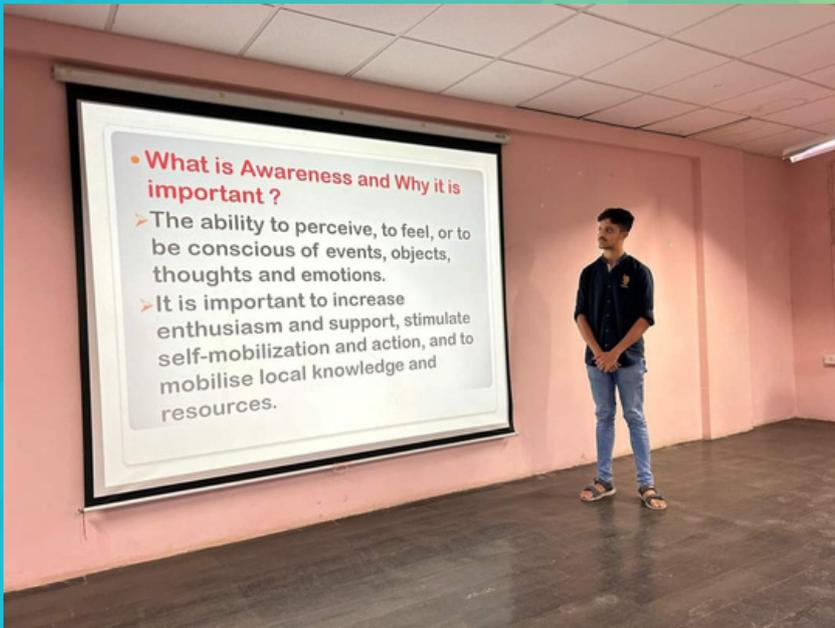

It can also lead to a more sustainable world by promoting renewable resources such as solar, wind, and water. More than 40 students participated in the quiz competition.

EVENT II

NSS Unit of UPL University of Sustainable Technology, Vataria conducted Presentation Competition on the “Awareness drive to avoid wastage of water”.

This Event was conducted to spread awareness regarding importance of Water.

EVENT III

UPL University of Sustainable Technology conducted a Lecture on the topic “Impact of deforestation on Human life” under the banner of NSS.

Mr. Suraj Kurmi and Mr. Bhavesh Mobh from Extension Range Valiya, Social Forestry Division, Bharuch were invited to speak on the Impact of deforestation on human life.

They elucidated the major concerns of the environment, climatic change, government norms, and various rules and regulations with concern for the forest. More than 50 NSS students and volunteers were present during the sessions.
