## Subject Knowledge Boosters (SKBs)

Department of Environmental Science & Technology is planning to have regular class test “SKBs” for students of II, III and IV years with an intention to boost their exam preparation. In order to practice continuous evaluation of students, all the faculties taking subjects in DEST are requested to consider following policy.

- 1) 3 SKBs will be conducted in a semester (once in a month) as per the format given by department (There might be some relaxation in format as per the requirement of subject).
- 2) Questions asked should be mapped with COs of that subject.
- 3) The paper should be of 10 marks, strictly following the format, except subjects considered in point 1.
- 4) Each Student has to prepare separate notebook for every subject.
- 5) The SKB book (assessed by subject teacher) and question paper should be submitted to the department at the end of semester.

Mr. Urvij B Dave  
Exam Coordinator  
Environmental Science & Technology.

Mrs Pratibha Gautam  
Head of Department  
Environmental Science & Technology
