

Plastic Bag Pickup Machine (Plastopick)

Government of India plunges in to the initiative for cleanliness drive. Under this initiative the program Clean India Movement the nexus has been brings in to the notice are plastic litters. Our Current visionary Prime Minister Shree Narendra Modi has launched “Swaccha Bharat Abhiyan”.

(Plastic Bag Pickup Machine: Developed by BEIL & SRICT)

Plastic (PVC, Thermo foil, PTA pallets, Plastic pouches, bags and bottles) are major problem due to two reasons. 1) it cause adverse health impact 2) it is non biodegradable hence responsible for spoiling aesthetic value of the area.

The concept of Plastic Bag Pickup Project is for collection and segregation at source:
