

DESCRIPTIVE MODEL FOR COLOUR CODING USED FOR BIOMEDICAL WASTE SEGREGATION AND STORAGE

| | |
|---------------------------------|---|
| Name of Facility created | Descriptive model colour coding used for biomedical waste |
| Name of the Faculty | Pratibha Gautam |
| Date of Facility created | 02/02/2019 |
| Associated Subject | SHWCT (2163505) |
| Purpose | To make student aware about colour coding used for biomedical waste segregation and storage |

Model: Biomedical waste segregation and storage (Colour Coding)
